MEMORANDUM FOR All Garrison Personnel

SUBJECT: Garrison Commander's Policy Memorandum No. 5 – Customer Service and Operations

1. Providing excellent customer service to all patrons is a primary responsibility for each of us who work in the Garrison. It is important that we be helpful, courteous, informative, and timely in the services we provide. Our reputation for accomplishing these responsibilities is top notch; I challenge each of you to continually improve the services we provide.
2. Providing a pleasant environment is an important part of good customer service. A pleasant environment also makes our own daily work experience more enjoyable and productive. I urge all to take personal interest in maintaining Fort Gordon as one of the best and most professional installations in the service. This may mean something as minor as pausing to straighten a crooked picture in the corridor, or it may mean ensuring that a service order has been submitted for a dripping faucet. Any office needing maintenance or repair must submit a work order or contact the Directorate of Public Works at 791-5520. For maintenance and repair of common-use areas in Darling Hall, contact Garrison Headquarters, 706-791-5790, which centrally manages the work requests that are submitted for Darling Hall's common areas.
3. The proponent for this policy letter is the Deputy to the Garrison Commander, 706-791-6300.

GLENN A. KENNEDY, II
COL, SC
Commanding

This memorandum supersedes the Garrison Commander's Policy Memorandum No. 5 – Darling Hall Customer Service and Operations Policy, 29 March 2007
